Even **Thomas Rhett** first admitted that "Make Me Wanna" had a Bee Gee's influenced sound. And aren't we all Bee Gee's fans? If that's the case, then it makes sense Rhett is at the top of the *MusicRow* CountryBreakout Chart this week.

Rhett co-wrote this, the fifth single from his debut album, with **Bart Butler** and **Larry McCoy** and had it produced by **Jay Joyce**.

He is sure to ring the register while performing the title while out on **Florida Georgia Line's** *Anything Goes Tour* which opened Thursday, Jan. 15 in Toledo, Ohio. If you can't make it to the show, catch the snazzy music video with over 2.5 million VEVO views [HERE](#).

In addition to his busy touring schedule, Rhett is campaigning for an ACM Nomination for New Artist of the Year. His [#HomeTeam video](#) tells more about his allegiances.

2015 is definitely off to a great start for the Valory Music Co star. We're hoping for continued success.
