## NO. 1 SONG

Seven [ACM Awards](#) nominee **Dierks Bentley** will be honored this week for his song "Say You Do" reaching the No. 1 spot on *MusicRow's* CountryBreakout Chart.

The song was written by **Shane McAnally** with **Old Dominion's Matt Ramsey** and **Trevor Rosen**. It is the fourth single released from the Grammy-nominated, *Riser*. In fact, the last two singles, "I Hold On" and "Drunk On A Plane" both reached the top of our chart in 2014.

Bentley will be taking the *Sounds Of Summer Tour* on the road beginning June 5 in Raleigh, N.C. Joining him will be **Canaan Smith, Kip Moore, and Maddie & Tae**. To celebrate the tour announcement, all of the artists took part—some reluctantly—in the CHILLY [polar plunge](#) last month in Nashville.

During a not much warmer CRS this week, Dierks, or "Doug Douglasson," had some fun at Nashville music venue The Stage on Broadway with "Shelby Shelton" (**Miranda Lambert**), "Dallas Houston" (**Randy Houser**), "Ronnie Bunns" (**Lady Antebellum's Charles Kelley**), **Canaan Smith** and **Kip Moore**.

## MusicRow Spotlight

**Heather Stupeck**/Secondary Promotions Manager/Jerry Duncan Promotions/Nashville, Tenn.

### Tell us about the road that took you to your current position?

Before moving to Nashville I was in radio in Evansville, Ind. My passion has always been on the industry side of country music. I moved down to Nashville on a Saturday, Jerry called me Sunday, and by Wednesday I was part of his promotions team.

### What is your favorite part of the job?

I've always been a huge advocator for new artists trying to pursue their dreams and that's what my company specializes in. Knowing that JDP had a hand in helping to break BK and Tyler from Florida Georgia Line makes me extremely excited for what the future of this company holds.

### What is best about working the stations on the Music Row Panel?

I've been in their shoes and understand what they go through on a day-to-day basis. It's also a lot of fun to talk to my radio friends and get them just as excited to be a part of these new acts as I am.

### Give an interesting fact about yourself!

I'm deathly afraid of driving behind vehicles with trailers or loose items like wood or furniture. I'd rather risk a speeding ticket. That's all thanks to the Final Destination movies by the way.

### What artists are going to make their name known this year?

Dylan Scott, Chris Lane and Granger Smith all have a lot going for them. Dylan's had multiple single cuts for songs he's written, Chris has been a part of some major tours and Granger has grown one of the biggest fan bases for an independent I've ever seen. I think it's just a matter of time before these guys are at the top of the game.
