### NO. 1 SONG

Kelly Green/Operations Manager/WEIO/Huntingdon, Tenn.

Jason Aldean got his song "Just Gettin' Started" started 16 weeks ago and has finally made it to the top of the *MusicRow* CountryBreakout Chart. It is his second single from platinum-selling album, *Old Boots, New Dirt*.

The hit was written by **Rhett Akins, Chris DeStefano** and **Ashley Gorley**. This is Gorley's second No. 1 song this year. He was also a co-writer on Luke Bryan's "I See You," which hit No. 1 on Jan. 8.

The [video](#) for "Just Gettin' Started" premiered last month and is composed of live footage from the 2014 American Country Countdown Awards.

Aldean is already deep into a busy 2015. He is currently on the road with his *Burnin' It Down Tour*, featuring **Tyler Farr** and **Cole Swindell**. He will combine his respective tour with **Kenny Chesney's** The Big Revival Tour for [10 stadium shows](#) this summer.

Aldean is also nominated for three ACM Awards, where he will compete for Entertainer, Male Vocalist and Album of the Year. His name was also added to the lineup at LP Field for [CMA Fest](#) which takes place June 11-14 in Nashville.

And Aldean also announced that he and fiancée **Brittany Kerr** will tie the knot sometime this summer as well.

**How long have you been at the station?** Hard to believe, but I'll celebrate my 10 year anniversary here in September.

**How many "hats" do you wear every day?** Unfortunately, in small market radio these days we all wear a ton of hats--Program Director, Music Director, News Director, Sports Director, Morning Co-Host, Janitor, etc.

**What is your philosophy on adding new music?** If it's a good song, we play it...doesn't matter if it's on a major label, indie label or even a local star! Each month we host a show inside the concert hall here at our studios called the Barn Bash. When we book an artist for the show, then we add the song to promote their upcoming appearance.

**Why is it important to report to MusicRow?** When we began a few years ago it really took our station to the next level and I'm so proud to be a part of the panel. It gives us a degree of credibility and notoriety within the industry.

**Tell us something great about your station and/or city. (Feel free to brag!)** We sink so much time and effort into the Kelly & Ken Show to make it sound as major market as possible, even though we're in tiny town America. A small town morning show doesn't have to sound "small town."

**Who are some NEW artists that you're excited about?** Olivia Lane, Chris Weaver Band, Erica Nicole, Crab Apple Lane and Dallas Smith.
