EXCLUSIVE: Maddie & Tae Turn A Rollercoaster Journey Into Their Most Personal Album Yet

"I keep saying we are the queens of catching curve balls," says Maddie & Tae's Maddie Marlow, calling from her home in Nashville. "We can catch a curve ball like no one's business."

Like so many, Marlow and her musical comrade Tae Dye are sequestered at home in an effort to help stop the spread of the COVID-19 pandemic. The pandemic has halted much of the music industry, requiring the halting or rescheduling of tours and album releases, and dramatically shifting the album release plans for artists and their teams.

Mercury Nashville duo Maddie & Tae released their new album *The Way It Feels* April 10 and are among those artists who have had their album release plans change, but they are taking it in stride. Click here to read more on musicrow.com.

CJ Solar Sets *Coming My Way* EP For May

CJ Solar will release his new EP, *Coming My Way*, on May 1, led by his new single "Watered Down Whiskey," which released to country radio on April 14.

"A lot of folks have heard me play these songs either on the road or online during the quarantine, and I'm excited to finally have the whole package available for everyone to hear," said Solar. "There's a ton of heart and soul in these songs, and I hope that comes through with every listen." Click here to see the track listing.
