Well well well, after a 30-week build, **The Swon Brothers** have risen to the top of the *MusicRow* CountryBreakout Chart with "Later On." This marks the freshman duo's first No. 1.

Written by rising forces **Ryan Hurd, Justin Wilson,** and **Joey Hyde**, the Arista Nashville single marks the first time the brother-duo has been on the airwaves. *MusicRow's* **Robert K. Oermann** [crowned the title](#) "promising in the extreme" back in January.

Previously Zach (29) and Colton (26) were finalists on Team Blake in Season 4 of NBC-TV's *The Voice*. The brothers are currently on tour through November while writing and securing songs for their freshman album release.

VOICES OF SECONDARY RADIO

Craig Allen/WHWY/Ft. Walton Beach-Destin, FL

Tell us about your station- (Feel free to BRAG a little): Highway 98 Country is all about fun! Promotions, community events, imaging, music. 100,000 watts of fun!

What is GREAT about your city?: The people. This part of the country is very community minded. Lots of really good people here. Plus, a strong military presence which is always a bonus! Lastly, we have the most beautiful beaches in the world, so life is GOOD!

How many different "hats" do you wear each day at the station?: I usually don't wear hats. But, when I do, one at a time.
Why is it important to you to report to MusicRow?: I'm hoping to win a free set of steak knives. And, it's important that as many stations as possible have their spins counted. There are artists that work for WHWY that some stations aren't playing. The artists need credit on a respected chart for being played!

Who are some of the new artist that you are most excited about?: Ray Scott is still new to a lot of programmers, so I will count him. I like what I've heard from **Brothers Osborne, Native Run, Brandy Clark, Dean Alexander & Sam Hunt.**
