Dierks Bentley and **Brothers Osborne** claim No. 1 this week on the *MusicRow* CountryBreakout Chart with "Burning Man." This is the second single from Bentley's ninth studio album, *The Mountain*. Songwriters on the single are **Luke Dick** and **Bobby Pinson**.

MusicRow sat down with Bentley in an exclusive two-part interview. Bentley says, "[Burning Man] feels autobiographical. The first time I heard it was when my buddy Arturo Buenahora played it for me when we were making the *Black* album. And I was like, 'God that's a great song.' I tried recording it here in Nashville with a couple of folks and it just didn't feel like I hooked it. But out in Colorado, I felt like we nailed the track." Click [here](#) to continue reading.

Each songwriter and artist earning No. 1 credit on the *MusicRow* Chart receives a *MusicRow* Challenge Coin. Click [here](#) to view a full list of recipients.
