"The truth is, 'Amazed' IS just another love song to me now. It was my wedding song, but since the divorce I haven't been able to listen to it. The first time I heard your song it immediately became my new theme song to my brand new life." *(Jessica/Ann Arbor, MI)*

NO. 1 SONG

Voices Of Secondary Radio

Drew Kirby-PD/Mornings/KBKB-Burlington, IA

Tim McGraw is most certainly speaking of wife **Faith Hill** when he sings on the No. 1 song on the *MusicRow* CountryBreakout Chart this week, "Shotgun Rider."

The hit was written by **Hillary Lindsey, Marv Green** and **Troy Verges**, and is a country boy's love song about not wanting anyone else riding shotgun right beside him except his true love.

Tim fans may recognize the title of this song from his 2007 album, *Let It Go*. True, the title is the same but it is a completely different song. The 2007 album cut was a duet with wife Faith.

Robert Oermann called this week's chart-topping song "...a perfect roll-the-top-down and take-to-the-highway song. A single with its own built-in breeze" in his [DISCLAIMER review](#).

Produced by McGraw and his longtime producer **Byron Gallimore**, "Shotgun Rider" is the third single from his second studio album for Big Machine Records, *Sundown Heaven Town*, and his second No. 1 song from the album on the *MusicRow* CountryBreakout Chart after "Meanwhile, Back At Mama's" which made it to the top on July 17, 2014.

While McGraw is done touring for 2014, he still has a performance for *A Very Grammy Christmas* headed to CBS next month. According to McGraw's [Official Website](#), the singer won't have to hit the road again until he performs at the Stagecoach Festival in Indio, CA on April 24, 2015.

How long have you been at the station? 7 years! Longest stay in my nearly 20 year career (hope I didn't jinx it)

What is your philosophy on adding new music? I never give a song the ol' "heave ho" before listening to it a few times. I'm not afraid of playing an independent artist BUT the song has to blow me away. They're battling for a spot with the Top Artists in the business, so it has to be worthy.

Why is it important for you to report to MusicRow? Giving our listeners the chance to hear brand new music from artists breaking their backs to get discovered is important to us. I take it as my own personal responsibility to make sure they get the recognition they deserve.

Tell us something GREAT about your station and/or city? Our station is blessed with great listeners that tune us in from morning to night and support us in all of our adventures. We're also lucky enough to play a big part in MANY music festivals each year. We also have the Burlington Bee's that produced half of the current Kansas City Royals roster.

Who are some NEW artists that you're excited about? Big fan of Erica Nicole, Chris Weaver Band, Gunnar and The Grizzly Boys and a new guy named Garth Brooks. I feel it's huge to have him back full time! George Strait is the "King of Country," but Garth is the "Godfather".
