NO. 1 SONG

Voices Of Secondary Radio

Alexandria Hardy/Music Director/KYYK/Palestine, TX

Nine must be **Carrie Underwood's** lucky number. The mother-to-be only needed nine weeks for "Something In The Water" to ring the bell at this week's No. 1 spot on the CountryBreakout Chart. Underwood wrote the title with **Chris DeStefano** and **Brett James**, who were both **knighthed** for songwriting success during a trip near Bordeaux, France.

The hit single will be included in the superstar's *Greatest Hits: Decade #1* album, due to hit shelves on Dec. 9. As part of a two-disc collection, the 25-track project will feature two new songs, along with four new versions or previously released material (live and worktape versions).

People magazine exclusively premiered the [official music video](#) for the single earlier this month, featuring professional dancers and a pregnant Underwood.

Underwood, who co-hosted this year's CMA Awards and received favorite female vocalist at the AMA awards, will be featured on the upcoming December TV specials: CMA Country Christmas (Dec. 1) and the American Country Countdown Awards (Dec. 13).

- 1. How long have you been at the station?** My four-year anniversary was Sept. 22.
- 2. How many "hats" do you wear each day?** Like a million. I'm the Office Manager, Traffic Director, Billing Director, and Account Payable, along with Music Director.
- 3. What is your philosophy on adding new music to your playlist?** When I hear a song, if I can "feel" that it's going to sound absolutely awesome, whether it be a slow song that will pull at your heart strings or if it will make you just flat out happy, then I'm definitely playing it!
- 4. What role do promoters play in your decisions?** If they're excited about a single, I'm excited to hear it, and most of the time it gets played! And having a relationship with the promoter is awesome because they start to know what I'll be looking to add and will know exactly what to say about it to get my attention!
- 5. Why is it important for you to report to *MusicRow*?** I like that we are a part of such a growing community of artists and promoters and it helps us keep up with what's hot and I LOVE seeing artists succeed and grow on the Country Breakout charts! It's exciting!
- 6. Tell us something GREAT about your station and/or city?** We are a small group of people that have grown into being a family. We are a team, and we are the VOICE of our community and our area. Our town is very excited about us and we are always out in the community and gaining new fans ALL THE TIME!
- 7. Who are some NEW artists that you're excited about?** I'm excited about Dylan Scott, I love his stuff! And also Cole Swindell (is he new???) :)
