Curb I Word Music Publishing has signed **Garrett Nichols**, a member of the country trio **Restless Road**.

"I'm incredibly honored to be joining the team at Curb I Word Music Publishing," shares Nichols. "It's a dream to work with such passionate and talented people, and I'm excited to keep growing as a songwriter alongside them."

Senior Creative Director, Country Publishing, **Sarah Shumacher**, adds, "We are thrilled to have Garrett join the Curb I Word Music Publishing family. He contributes remarkable energy, work ethic, and passion for his craft, and we are excited to continue watching him achieve his songwriting goals!"

A native of Tuscaloosa, Alabama, Nichols' passion for country music started as a child. He picked up the guitar at 12 years old and auditioned for *American Idol* at 16, which helped him learn more about songwriting. Videos of covers and originals Nichols posted on YouTube caught the eyes of Zach Beeken and Colton Pack, both competitors on the third season of *The X Factor*. Together, the trio formed Restless Road in 2015.

As a songwriter, Nichols has co-written songs for Restless Road, including "And Then Some" and "I'd Love To." He also co-wrote Sacha's recent release "Shooting Star (ft. Restless Road)" with Pack, Beeken, Sacha Visagie, Cole Miracle and Sam Martinez. **MR**

Restless Road's Colton Pack has signed a global publishing deal with Edgehill Music Publishing.

"We couldn't be more excited to welcome Colton to the Edgehill family," shares **Julia Keefe**, Head of A&R. "From the very first meeting, it was clear how genuine and passionate he is — both as an artist and as a person. His heart for storytelling and the authenticity he brings to every song are exactly what we strive to champion here. We're thrilled to start this next chapter together."

Originally from Danese, West Virginia, Pack grew up surrounded by music in his hometown church where his dad was the pastor. At a young age, he began to sing in church, enter music competitions and write songs. After moving to Nashville, Pack formed the country music trio Restless Road with Garrett Nichols and Zach Beeken.

The trio has accumulated over 375 million cumulative career streams and amassed a following of over five million across their social platforms. Restless Road has toured with Kane Brown, Russell Dickerson, Tim McGraw and Cole Swindell.

"I'm very excited and grateful to be a part of the Edgehill family," says Pack. "I'm looking forward to working alongside this incredible team and their amazing writers! I can't wait to create songs that truly impact people's lives and excited for what's ahead." **MR**

DISClaimer Single Reviews: Miranda Lambert & Chris Stapleton Team For Disc Of The Day

Country's female artists take the spotlight today in DISClaimer.

Eight of our finest are in today's playlist—Miranda, MÖRIAH, Dasha, Sacha, Brooke Lee, Carter Faith, Priscilla Block and Sara Evans. From their ranks come the prize winners. The Disc of the Day unquestionably belongs to Miranda Lambert and Chris Stapleton, but lend an ear to Ms. Carter Faith, who was also a mighty strong contender.

Brooke Lee takes the DISCOVERY Award. She's good enough for Lukas Nelson, so she's good enough for me.

Among our male discs, those by Russell Dickerson and the late Mike Henderson are the ones to definitely hear.
